

GROW WITH ME!

Special bundle pricing available for those expecting their own bundles of joy!

Session Fee of \$400 includes a maternity session AND a baby session!
(savings of \$100!)

Like all sessions, this includes:

- o Pre-session consultation, by phone or in-person
- o Up to 2 hours shooting time for each session
- o Each session can be 1-2 locations and have 1-2 looks or outfit changes if desired
- o Editing, processing, retouching of photographs
- o In-person viewing/ordering meetings for each session
- o Proof gallery of 20-50 images for each session
- o Includes one complimentary 8x12 mounted print,
OR one complimentary digital image

Plus these special features and options:

- o Baby session must take place within ten months of maternity session
(to capture milestone ages like newborn, 3months, 6months, 9months)
- o Newborn session will take place in your home (older infant sessions can take place outdoors)
- o Special packages that include digital images, wall art, and birth announcements
- o Products (like storyboard and album) can include images from both sessions
- o Special pricing on purchasing all digitals for both sessions

I am a licensed and insured professional, and I guarantee my work. If you are not satisfied with your session or your photos, I will refund your session fee or reschedule the shoot. Again, you deserve to have wonderful photos that you love!
